WHO IS THE MOST SUCCESSFUL FARMER IN THIS COMMUNITY?

HOW DOES HE DO IT?

READ ON AND LEARN

He doesn't do it by using the ancient methods of our fathers and grandfathers. Those methods are too slow for modern farming. There is too much manual labor for a small income.

Successful farming today is accomplished through the use of modern machinery, modern tools and scientific methods of cultivation.

We have the best tools—all modern and of the best—and we will be glad to show them to you and how to use them to the best advantage.

Will Invite Coolidge.

Richmond.—Invitation has been extended President Calvin Coolidge by Governor E. Lee Trinkle to attend the "battle" of New Market, which will be staged on September 30 between V. M. I. students and forces from Quantico.

The reproduction in action of the famous engagement will be a feature of the annual fall maneuvers of the marines at Quantico.

C. Bascom Slemp, secretary to the President, also will receive a letter from Governor Trinkle inviting the chief executive to attend the exercises. The maneuvers have become an outstanding national event, President Harding having attended in 1921, and 1923. Other letters have been sent to officials commanding the forces at Quantico with a view to securing favorable action on the invitation from Virginia.

General Smedley Butler is in command of the maneuvers and will direct 5,000 marines in a column of four miles long on a 200-mile journey. Many famous war battles will be re-enacted, and it is expected that a daily average of fifteen miles will be covered.

It is expected that the trip will take twenty-one days, sixteen of which will be consumed in war maneuvers. At the close of the training period, the New Market feature will take place, followed by a football game. The marines will go to Washington on October 5, where they will parade and engage in a football game with the Georgetown University team.

Hostein Has Record Butter Producers

Fourteen cows in Hostein were placed on the honor roll in the production of over fifty pounds of butter fat during the month, and forty-four were credited with producing forty pounds, according to the results of tests made recently. W. L. Kirby, director of the agricultural department of the Chamber of Commerce, stated that 602 cows were examined.

One Holstein now on the Mulhenys farm produced 2,051 pounds of milk containing 61.8 pounds of butter fat. Other cows on this farm produced 1,788 and 1,554 pounds. Holstein cows belonging to J. J. Loring also made high averages in 542 pounds, with 20.6 pounds of butter.

Supreme Court Grants And Refuses Writs.

In the refusal of the Supreme Court of Appeals to grant a writ of error, John Cooper, of Norfolk county, will be required to serve a term of five years for assault and robbery. The case came to the higher tribunal from the Circuit Court of that county.

Cooper declared, in making the appeal, that he was the wrong man. Detectives working on the case stated that he made a confession to them. This Cooper denied in his appeal, but the Supreme Court refused to interfere with the decision of the lower court.

A writ of error was allowed in the case of the Montauk Ice Cream Company against the Diager Company from the Law and Chancery. The case involved a controversy over shipments, and the decision of the higher court was in favor of the Diager Company.

In the case of the National Fireproofing Company, a writ of error was granted against J. V. Bickford, the case reaching the Supreme Court from the Circuit Court of Elizabeth City county. The appeal was taken because of dissatisfaction over the amount of judgment awarded in the decision of the lower court.

Workman Spends $292.

In filing with Clerk Walter Christian, of Hustings Court, his statement of election expenses, incidental to the primary-election campaign, W. W. Workman, successful candidate for the State Senate, discloses the fact that he spent $292, the sum divided between postage and printing. This is the highest sum thus far reported in any candidate's statement. Mr. Workman is a member of the Board of Aldermen from Madison Ward. Many of his friends and associates are urging him to retain his place as a member of that body, there being no legal requirement for him to do otherwise.

Collect $275 000 in Gas Tax.

James M. Hayes, chief clerk in the office of the Secretary of the Commonwealth, stated that $275,000 has been collected in the gasoline tax, and that the amount probably would reach $300,000 by the time all persons have paid up in compliance with the law.

Nominate Miller Candidate.

Leo O. Miller, adjutant to the Grand Camp of Sons of Confederate Veterans, was nominated as a candidate for State commander of the Sons of Veterans in Virginia at a meeting of R. E. Lee Camp, sons of Confederate Veterans, in Randolph Hall. Carroll D. Hagan, commander of the camp, was empowered to appoint the forty-five delegates to which the camp is entitled for the State meeting to be held in Roanoke September 11, 12 and 13.

$44,000,000 CASH IS RAISED BY BAPTISTS

FUND MAKES POSSIBLE LARGE ADVANCE IN MISSIONS, EDUCATION AND BENEVOLENCES

IMPROVE CHURCH FINANCES

Dr. O. E. Bryan Will Direct South-wide Effort to Put All Local Churches on a Budget Basis

Up to May 1, 1923, the Baptist churches of the South had paid in cash the sum of $44,003,005.79 on the 75 Million Campaign, the five-year program for extending the general missionary, educational and benevolent work of the denomination, it is announced by the general headquarters of that movement.

This sum was contributed by the various states of the Southern Baptist Convention as follows: Alabama, $1,890,667.55; Arkansas, $1,381,499.65;

DR. O. E. BRYAN

Budget and Stewardship Director for Southern Baptists

District of Columbia, $926,648.16; Florida, $733,313.95; Georgia, $4,016,906.93; Illinois, $339,007.87; Kentucky, $4,937,270.93; Louisiana, $1,546,396.79; Maryland, $566,839.35; Mississippi, $3,239,993.67; Missouri, $1,822,985.69; New Mexico, $217,452.33; North Carolina, $3,620,398.33; Oklahoma, $1,113,781.19; South Carolina, $2,516,853.19; Tennessee, $3,963,060.09; Texas, $6,461,984.43; Virginia, $4,928,235.24. Specials: Louisiana, $110,038.15; New Mexico, $419,799.19; Oklahoma, $49,000.00; Illinois, $191,176.11; Home Board Specials, $13,240.00; Foreign Board Specials, $36,161.06; raised by local churches on foreign fields and expended by them there, $1,830.58.

Large Results Achieved.

These latter resources have made possible large advances in every department of work fostered by Southern Baptists, indicating the growth in the homeland during the campaign period. It is announced that there has been a gain of 57 district associations, 851 active ministers, 1,061 local churches, 2,257 Sunday schools with 459,323 pupils, 8,681 Baptist Young People's Unions with 287,917 members, and 7,094 Woman's Missionary Union organizations. During this time there have been 762,850 persons baptized into the local Baptist churches, $46,405,118 has been invested in local church property, and the increase in offerings to missions and benevolences has been more than $26,000,000 over the corresponding period preceding the Campaign.

Among the many gains on foreign mission fields are included 24,344 baptisms, 356 churches, 1,800 mission stations, 79 houses of worship, 43,046 members, 637 Sunday schools with 21,293 pupils, the sending out of 276 new American missionaries, the appointment of 2,029 native workers, entry into six new foreign countries and the larger adjustment for all forms of work on sixteen fields.

Workers of the Home Mission Board have baptized 176,605 persons during the Campaign period, have received 277,968 persons into the membership of the churches, enlisted 117,772 young persons in definite forms of Christian service, built or improved 1,573 church houses, organized 925 churches and 1,298 Sunday schools.

Stabilize Church Finances.

To reach the original goal it will be necessary for Southern Baptists to raise $31,000,000 additional for the Campaign program by the end of that movement in 1924. In the hope of bringing the churches of the denomination in a better system of finances and the church members to a fuller realization of their obligation to support religious work, the Campaign Commission has employed Dr. O. E. Bryan of Atlanta, superintendent of evangelism and enlistment of the Home Mission Board, as stewardship and church budget director.

Dr. Bryan has assumed the duties and work through the various state offices and the associations of the district associations is going to bring the Baptist churches of the South to the adoption of a yearly budget for both their local work and the general missionary and benevolent interests of the denomination. His aim being to enlist every member of every church in weekly and monthly contributions to religious causes.

LESSON FOR SEPTEMBER 23

TIMOTHY A GOOD MINISTER OF CHRIST JESUS

LESSON TEXT—Acts 16:1-3; Phil. 2:19-23; II Tim. 1:1-6; I Tim. 4:14-16, 6:20.

GOLDEN TEXT—"Be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity."—I Tim. 4:12.

PRIMARY TOPIC—A Boy Who Loved the Bible.

JUNIOR TOPIC—Timothy, Paul's Helper.

INTERMEDIATE AND SENIOR TOPIC—Timothy Trained to Serve.

YOUNG PEOPLE AND ADULT TOPIC—The Christian Ministry as a Life Work.

I. Timothy's Parentage (Acts 16:1).

His father was a Greek and his mother a believing Jewess. On his mother's side at least, he had a godly ancestry. Usually the mother makes the son. Two generations of maternal pious grandmothers were back of Timothy. How thankful we ought to be to God for a godly ancestry. Christian heredity and training constitute the essential elements for a Christian life.

II. Timothy's Training (II Tim. 1:5; II Tim. 3:14-15).

His wise and faithful mother and grandmother carefully nurtured him in God's Word. He knew the Scriptures from his childhood through their training. The faith which came to him from his grandmother through his mother did not come through the laws of heredity, but through careful training and teaching. Grace is not reasoned by the laws of heredity. The factors involved in his training were godly ancestors, a Christian home, and a diligent study of the Scriptures.

III. Timothy's Call (Acts 16:1-3).

While on Paul's second missionary journey in company with Silas, Timothy was found at Lystra near Derbe. Perhaps he had been converted on Paul's first missionary journey, but hearing a favorable report of him by the brethren, Paul took and circumcised him so as not to offend the Jews, because his father was a Greek. This was not contrary to the decision of the Jerusalem council. It was a case where conciliation could be made without compromise of truth. From this time to the end of Paul's life, he and Timothy were boon companions. They were as a loving father and a faithful son.

IV. Timothy's Character Reticent.

I. Of a Retiring Disposition. II Tim. 1:6. Timothy had received a gift from God at the hands of the apostle, but it needed to be stirred up, that is, fanned into a flame. Such a temperament would come in touch with a great personality like Paul. It is highly important that everyone stirs up the gift which God has given unto him.

2. Courageous. II Timothy 1:7-8. Having been stirred up, he was freed from the spirit of fear and deliberately identified himself with Paul in his sufferings and trial. Courage is greatly needed in doing the Lord's work.

3. Faithful. He taught in the difficult field of Ephesus through many years. He was the only man of the needed fidelity to minister in the Philippians. (Philippians 2:20). The secret of his faithfulness in such a position was his fidelity to the Word of God.

V. Timothy's Ministry.

1. As a fellow-missionary with Paul. (Phil. 2:22).

2. As pastor of a church at Ephesus. Here he labored for many years tactfully meeting the difficulties of that great church. The Christian minister should believe in the Scriptures as God's Word and be able to rightly divide it so as to meet the needs of those who hear him. This is the only way to meet the difficulties that arise in the pastor's labors.

All Due to Christianity.

We live in the midst of blessings, till we are utterly insensible of their greatness, and of the source from which they flow. We speak of our civilization, our arts, our freedom, our laws, and forget entirely how large a share of all is due to Christianity. Blot Christianity out of the page of man's history, and what would his laws have been? Blot out his civilization? Christianity is mixed up with our very being and our daily life; there is not a familiar object round us which does not wear its mark, not a being or a thing which does not wear a different aspect, because the light of Christian hope is on it, not a law which does not owe its truth and gentleness to Christianity, not a custom which cannot be traced, in all its holy and healthful parts, to the Gospel.

Responsibilities.

Responsibilities gravitate to the person who can shoulder them and power flows to the man who knows how.—Hubbard.

Avoid Making Enemies.

Those whom you cannot make friends of, avoid making enemies.—Epicurus.

The Weak.

The weak may be joked out of anything but their weakness.—Zimmermann.

Filipino Women.

Filipinos have some customs which seem queer to us. A woman does not drive a horse or automobile or ride a bicycle. She may wish to be a nurse, but men and boys occupy this field. She can do fine embroidery, but the men design the patterns. Yet twice the percentage of Filipino women are earning their living in comparison with Canadian women. Co-education exists throughout the Islands.

The painter has been "made the goat" long enough

IT is about time that property owners realized that the *painter* isn't to blame when a cheap painting job does not last. It isn't from choice that the painter uses cheap paint and varnish. But he has to use them if the owner insists on looking for *price* instead of *quality*.

Let the painter figure on good paint and varnish. They cost a little more by the gallon but very little more *by the job*. Labor is the big item and that's the same with a cheap paint as with good paint.

Good, honest paint and varnish like BREINIG BROTHERS' is an economy—whether they are for a porch chair or for your entire house. They are made to give *lasting* protection.

Nervous Break-Down

MRS. ANNIE LANGE, of R.F.D. 1, Burlington, Tex., writes regarding her experience with Cardui: "Some time ago I had a nervous breakdown of some kind. . . I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the week, trembly, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years. Ask for, and insist on, Cardui.

Arab Legend Concerning Lions.

According to an Arab legend, there was no such creature as a cat on this planet until Noah had marched all the animals into the ark. Then a plague of mice occurred, and Noah's family feared they would be eaten out of ark and home. But Noah prayed to Allah, and Allah caused the lion to sneeze a few grains of pepsy to our one of wisdom.—George Eliot.

Folly and Wisdom.

A man can never do anything at variance with his own nature. He carries with him the germ of his most exceptional actions; and if we wise people make fools of ourselves on any particular occasion, we must endure the legitimate conclusion that we carry a few grains of folly to our one of wisdom.—George Eliot.
